## **Exams Requirements Guide**

You will need to bring with you to the exam:-

### **Photographic Identification**

Passport, driving licence etc

### **Documentary Proof**

For Foundation and Intermediate exams, a signed-off Practical Assessment sheet is required.  
For Intermediate and Advance exams we need proof you have passed the previous exam

### **Pens / Pencils for Optical Marking Sheets**

A pencil, eraser, black pen and straight edge for the optical marking sheets

### **Calculators**

You are permitted to bring a basic or scientific calculator with you,  
but it must be non-programmable!
