

CHELMSFORD AMATEUR RADIO SOCIETY
NEWS SHEET NO.1

January 1966

ANNOUNCEMENT.

This news sheet replaces the monthly circular which has been used for many years to inform members of the Society Meetings, and Special Events only.

It will be distributed free to members for an experimental period of three months to measure its popularity; the success of this venture entirely depends on the contribution of news items given regularly by members to our edition.

The Hon.:Editor is Tony Dix G51X will gratefully receive any short, items of news from members at the regular Society meetings, on 160 or 80 metres or by post to 24 Queens Road, Chelmsford.

Short technical articles are also welcome, providing the accompanying circuit diagrams are neat and can be traced directly on to the width of a foolscap stencil sheet.

Notice is hereby given that space has already been reserved on News Sheet No.2 for members items for "Exchange and Mart". Items for sale should be clearly catalogued and priced, lists should have name and address of the advertiser and telephone number when applicable. Items "wanted" will also be accepted for publication.

TOPICAL NEWS IN BRIEF

Oscar IV is now circling the earth but is on a highly elliptical orbit, 18,000 miles max, 100 miles min.,. The 2 metre to 70 centimetre transponder is working and a beacon sending "H.I." can be heard on 431.935Mc/s approx., Some American and European signals have been heard through the transponder but all 70 cm signals are subject to deep QSB because the spin stabilization is not effective.

Douglas Pearce G3RIP. We are sorry to learn that Doug: has had VFO trouble and was confined to hospital over Christmas. Best wishes for speedy recovery Doug; we hope to hear you back on the air soon.

Roy Martyr G3PMX is now active on 70 cm running 10 watts to a 6 over 6 at 40 ft A.S.L.! contacts new stations will be appreciated.

A HAPPY NEW YEAR TO YOU ALL
